## Patient Reminder System

Goodwin Drive Family Medical Centre Reminder System is a courtesy available to our clients.

We can telephone you as reminder of upcoming treatments / reviews due

(e.g. Immunisations, blood tests etc.), this is only a Reminder for you to make an appointment.

When you register with the Practice you can nominate to participate in the system or not.

## The Patient Recall System

The Recall system differs in that: following some investigative tests you may receive a telephone call from our staff **recommending** you make an appointment to **discuss the test results with your doctor.**
